

UNCORK YOUR POTENTIAL!

REVOLUTIONIZING THE PARTY PLANNING INDUSTRY WITH IN-HOME WINE TASTINGS!

IN-HOME WINE TASTING CONCEPT!

Our independent Wine Consultants are able to combine their love of wine with building a financially rewarding business – on their own terms! Through The Traveling Vineyard, Consultants learn about and taste exclusive vintages from across the globe, create a schedule that fits their lifestyle, set and achieve their own goals, determine their own income and self promote for greater earnings!

AOL named TTV the #1 home based business opportunity in the U.S. and ABC News / Good Morning America featured TTV as a great at home business venture!

You're About To Become Very Popular!

Everyone enjoys a fun, relaxing, social event as much as tasting and learning about delicious wines! That's why our Tasting Events and our Consultants are so popular! Our Consultants offer hosts and their guests the unique opportunity to bring the tasting room into their living room – complete with five free bottles of wine to taste and enjoy with their friends, plus a fun and entertaining tasting demonstration, tasting notes and food pairing suggestions.
